PURPOSE:

This report here deals with an analysis of your birth chart and gives you a clear cut perception about the various benefits and obstacles that you may face in your life as a whole. Planets play a vital role in generating our energy and make us to act accordingly. Here in this report you will be dealt with the plus or minus effects that planets are going to confer you with accordingly with the respective time periods. The good or bad effects that you are going to face depend upon the karma that you had undergone in your previous birth. The more the good, you do more positive results will come. It is like a life cycle that both good and bad things emerge in this world. Welcome the eventful happenings in our life with a smile and perform remedial measures for negative events.

Some astrological terms for your reference:

1. Association:

When one planet is positioned along with one or many other planets in the same Zodiac House, they are referred to as Association

2. Aspect:

Every planet casts a vision on the 7th House from its position. This is called aspect.

3. Major Period: This is the time frame that a particular planet rules a couple of years of one's life-time. Every planet has ONLY ONE Major Period.

4. Minor Period: Every Major period in turn is ruled by each of the 9 planets, in a sequence, one at a time. Thus, each Major period will have 9 Minor periods.

5. Sub-Minor Period: Every Minor period has further 9 subdivisions ruled by the 9 planets, in a sequence. Thus each Minor period has 9 Sub-Minor periods.

Charts considered for Analysis:

Rasi Chart: Also called as Birth Chart, this contains the planetary positions at that moment when you were born.

The influencing factors:

- a. The Zodiac Houses in which the planets are placed

As per the birth details provided by you in Astroved website:

Your Ascendant (ASC, also referred to 1st House) falls at Aquarius sign with Saturn as the ruler.

Present Major Planetary Period

Jupiter - From November 2013 to November 2029

Present Minor Planetary Period

Saturn - From January 2016 to July 2018

The Major Planetary Period - Venus (Till September 2031)

Analysis:

Jupiter is neutral planet to your Ascendant, which falls at Aquarius sign – Ascendant house. Jupiter is placed in the sign Gemini which is the 5th House from your ascendant. Though it is a good placement, he is in his enemy's sign. Hence this placement and affliction brings mixed results during this period.

Inference:

1. You may have low working energy, aggressive attitude & low inclination during now.
2. Need to improve or regulate your daily activities in time to enhance immunity and resistance normally.
3. Financial gain may be prospered through career with more service, inclination and with power of discrimination now.
4. Money gain through property or conveyance or investment or speculation services will be improved during this period.
5. You need to regulate your aggressive expression or adventurous activity to reduce trouble or losses.
6. You may win over persons who oppose you at career easily now.
7. Significant conversation will improve relationship with Authority or partner or family members.
8. You may spend more or work hard to raise comforts & domestic environment now.
9. You may suffer to gain team association or understanding at career now.
- 10 Need to avoid mistakes through egoistic or dominating nature at career some time during now.

The Minor Planetary Period – Saturn

Analysis:

Saturn is a functional benefic planet to your Ascendant, which falls at Aries sign – the house of Ascendant in state of exaltation with Venus and gets afflicted by Rahu and Saturn. This combination and affliction brings moderate benefits during this period.

Inference:

1. You may have limited working energy, attitude & administrative skill.
2. More adaptable and pleasant expression will improve relationship generally during this period.
3. Need to pursue more efforts and inclination for moderate money gain at career now.
4. Financial gain will be increased through export/ import, foreign travels, education or legal related services.
5. Lazy or stubborn act will not bring desired result to you during now.
6. You need to be very cooperative and sociable to gain relation with associates or authorities generally.
7. Need to refrain from low attitude or lazy or firm nature to reduce troubles.
8. Need to resolve issue cordially to avoid trouble or losses at career now.
9. Need to work hard to raise comforts & domestic environment sometime.
- 10 Need to restrict or control investment or business partnership or travels which may not be prospered greatly now.
